

# NIHR Leicester BRC Listening Event

Monday 25th June 9:00am – 1:15pm  
Stamford Court, University of Leicester

We turn scientific discoveries into better healthcare for patients

We are inviting all staff within the NIHR Leicester BRC to an exciting Listening into Action event. This is about bringing together **ALL** the right people to influence how we take our BRC to a new level, deliver our research to maximise impact and ultimately provide the best care for our patients.

We have the full backing of Leicester's Hospitals, with the Chief Executive John Adler hosting this event, so let's use this opportunity to make the changes that we want to see!

**To book your place, please use the Eventbrite link.**

For anyone who can't come, we will communicate ideas and actions after the event, so you will still have plenty of opportunities to be involved.

The event will be followed by a free lunch.
